## Location & Plot

This country house with a very tasteful decor is marked by its proximity to Campanet. At only about 500 meters from the village, in a dead end, lies this property with natural stone façade in quiet surroundings. Ideal for buyers who would like to live in a country house but not in the remote countryside.

## Property Description

During its construction much attention was paid to quality, among other things double walls. The 220 m<sup>2</sup> house has 4 bedrooms and 2 bathrooms, terraces, a large open kitchen in the living room, various ancillary rooms, electricity and water with a cistern. A pool can still be built on this 7,500 m<sup>2</sup> plot. The great views from the living area are a particular plus.

## Layout & Equipment

- **Floorspace:** approx. 220 m<sup>2</sup>
- Living-dining room, 4 bedrooms, 2 bathrooms
- Heating, mains electricity, satellite TV

**Conclusion** A typical Majorcan country house in a prime location which is worth a visit.
